

EUROCOAST - <http://www.eurocoast.org>

European Coastal Association for Science and Technology

Type of Organization

Non governmental

Project Contact

Eurocoast@Cardiff.ac.uk

Project Description

EUROCOAST was established in 1989 as an association of scientists, engineers and decision makers within the European community in order to create a European network for scientific and technical co-operation and exchange, both within and outside Europe, on subjects relating to the protection, development and management of the coastal zone and to thereby improve existing inventories and knowledge.
